The Sugarbabes Problem

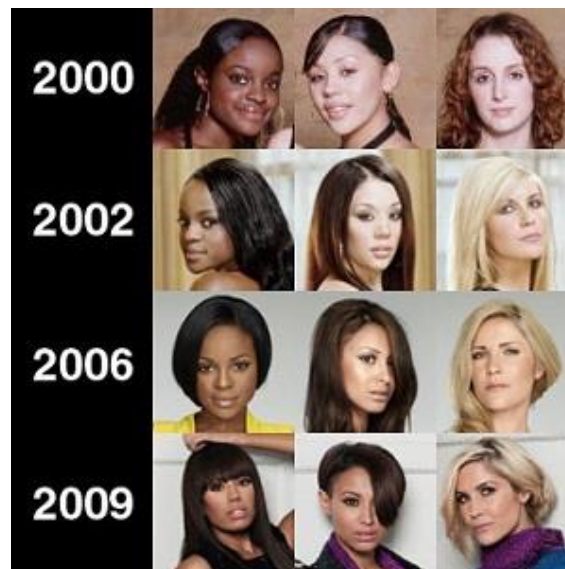

Image ref: <https://images.app.goo.gl/nasahCcuG6r7j2Pk7>

- 1st line-up:** The band was formed in 2000 with Keisha, Mutya and Siobhan. But then Siobhan left and Heidi joined.
- 2nd line-up:** By 2002 it was Keisha, Mutya, and Heidi. But then Mutya left and Amelle joined.
- 3rd line-up:** By 2006 It was Keisha, Amelle and Heidi. But then Keisha left and Jade joined.
- 4th line-up:** In 2009 it was Jade, Amelle and Heidi – a band that contained none of the founder members.

Facilitation Questions:

- Should we call the 4th line-up, “The Sugarbabes?”
- Should we call the 1st line-up, “The Sugarbabes?”
- Are the 1st and 4th line-up the same band?
- How many members does the The Sugarbabes have?
- What do we mean by “The Sugarbabes?”
- Who should play at the Sugarbabes reunion?

Coda:

‘Devestating’ news... the reunion was cancelled!
